

Dear

I am sorry I didn't stop by and pick up your tooth last night. My tooth bag was so full of teeth I had trouble getting my wings to get me off the ground and had to return to my home base before I could collect all of the teeth!

That is why I am leaving you this letter. I didn't want you to think I forgot you. You have a bright, pretty tooth and I especially want it for my collection! So, I am back tonight to pick it up and leave you a note and special surprise.

Have a fairy good day!

Your friend,

The Tooth Fairy
